

By this way, I respectfully ask you to reject the NAB's petition 04-160 because it's my right as a XM subscriber to be informed and up to date when it comes to my local traffic and weather. We are paying for this service and we deserve to have it; if you notice, the TV satellite service offer local channels including weather and traffic info.

Also, I'd choose Satellite radio because of the high quality of the programming and the variety that offer

Thanks for take your time considering my comments.

Thanks again.
